The ***Employee of the Month***, launched this year by the Provincial Government of Oriental Mindoro (PGOrM), is a monthly citation in recognition of employees who have significantly benefitted their assigned Office in an exceptional manner and made contributions beyond the usual expectations of their service. This is also one of the Integrity Mechanisms identified by the Integrity Circle of the Province of Oriental Mindoro for the Project I4J. The I4J's Integrity Circle is an ancillary arm of the PGOrM in upholding transparency and integrity as essential work values in public service.
